

CESCA Students and Parents:

We feel that readers make leaders, so it is very important to the faculty and staff at CESCA that children read during the summer.

This year, we are participating in our state's **No Book Left Unread: Make a Summer SPLASH (NBLU)**. Please use the attached reading log to count and add the minutes read this summer. Add minutes that you read between June 1 and August 31, 2010. Return completed forms to your school library media specialist before Tuesday, September 7th. For more forms, you may copy, go by the school office, the public library or the school web page at <http://ces.kcsdschools.com>.

In order to participate in our **School Summer Reading Celebration (in September)**, rising kindergarteners, first graders or second graders will be required to read or have a parent read to them at least 20 picture books. Rising third, fourth or fifth graders will be required to read at least 25 picture books or 30 minutes per night at least 25 nights of the summer.
